

Power Relays

(MAY 10th, 2007)

| Series Name | RoHS Compliance | Notes |
|------------------------------------|-----------------|---|
| JV | Conforming | Please contact us for more details about transit inventory. |
| JY | Conforming | Please contact us for more details about transit inventory. Cadmium and its compounds in electrical contacts are excluded of RoSH directive.(Amended Annex to Directive 2007/747/EC) |
| JS | Conforming | Please contact us for more details about transit inventory. Cadmium and its compounds in electrical contacts are excluded of RoSH directive.(Amended Annex to Directive 2007/747/EC) |
| LZ | Conforming | Please contact us for more details about transit inventory. |
| FBR160 | Conforming | Please contact us for more details about transit inventory. Cadmium and its compounds in electrical contacts are excluded of RoSH directive.(Amended Annex to Directive 2007/747/EC) |
| NY | Conforming | Please contact us for more details about transit inventory. |
| FTR-MY | Conforming | Please contact us for more details about transit inventory. |
| FTR-LY | Conforming | Please contact us for more details about transit inventory. |
| FTR-F3 | Conforming | Please contact us for more details about transit inventory. |
| FTR-F3-HA | Conforming | Please contact us for more details about transit inventory. |
| VE | Conforming | Please contact us for more details about transit inventory. Cadmium and its compounds in electrical contacts are excluded of RoSH directive.(Amended Annex to Directive 2007/747/EC) |
| FTR-F2 | Conforming | Please contact us for more details about transit inventory. |
| FTR-F2P | Conforming | Please contact us for more details about transit inventory. |
| FTR-H2 | Conforming | Please contact us for more details about transit inventory. |
| FTR-K2 | Conforming | Please contact us for more details about transit inventory. |
| FTR-H1 | Conforming | Please contact us for more details about transit inventory. |
| VS | Conforming | Please contact us for more details about transit inventory. Cadmium and its compounds in electrical contacts are excluded of RoSH directive.(Amended Annex to Directive 2007/747/EC) |
| VS-NR | Conforming | Please contact us for more details about transit inventory. |
| FTR-K1 Inrush 80A | Conforming | Please contact us for more details about transit inventory. |
| FTR-K1 Silver-Nikkel Alloy Contact | Conforming | Please contact us for more details about transit inventory. |
| FTR-K1 10A High Sensitive | Conforming | Please contact us for more details about transit inventory. |
| FTR-K1 16A 105 | Conforming | Please contact us for more details about transit inventory. |
| FTR-K1 16A Clear Cover | Conforming | Please contact us for more details about transit inventory. |
| FTR-K1 12A | Conforming | Please contact us for more details about transit inventory. |
| FTR-K1T 17A Tab-terminal | Conforming | Please contact us for more details about transit inventory. |
| VSB | Conforming | Please contact us for more details about transit inventory. |
| FTR-F4 | Conforming | Please contact us for more details about transit inventory. |
| FTR-F1 2 poles 5A | Conforming | Please contact us for more details about transit inventory. |
| FTR-F1 2 poles 8A | Conforming | Please contact us for more details about transit inventory. |
| VB | Conforming | Please contact us for more details about transit inventory. Cadmium and its compounds in electrical contacts are excluded of RoSH directive.(Amended Annex to Directive 2007/747/EC) |
| FTR-JR | Conforming | Please contact us for more details about transit inventory. |
| FTR-K3 | Conforming | Please contact us for more details about transit inventory. |
| VF | Conforming | Please contact us on relays in transit inventory. |
